ULLANADU

SANITATION CERTIFICATE

I have inspected the building and premises of CHRISTHUJYOTHY ENGLISH MEDIUM SCHOOL, IV/227, KAYYOOR P. O, KOTTAYAM (Affiliation No. 930994) and certified that,

There is sufficient number of well ventilated class rooms and sufficient area is provided for open space and play ground. There are sufficient numbers of toilets and urinals kept separate for boys and girls and are kept clean. There is protected water supply and is provided with sufficient number of taps. The school and its premises are kept clean and tidy.

Hence on public health point of view the sanitary condition of the school is satisfactory.

CONDITIONS

1. Waste water should not be let into open drains.
2. Solid wastes should be disposed scientifically.
3. Any type of TOBACCO products are not allowed in the school compound.
4. Institution and surrounding are subjected to the periodic inspection of Health Authorities.
5. The water sources shall be treated with Bleaching powder@2.5gm/1000 Litres of water every six months.
